

Ático Giralda

The Ático Giralda is part of a beautiful Andalusian neo-baroque building constructed for the 1929 Universal Exhibition.

Located in front of the Cathedral and the Giralda, it offers the most privileged location of Seville, allowing you to enjoy its unique and exclusive views.

The location is unmatched due to its magnificent emplacement, with wonderful views of Sevilla city center. It is ideal for small groups and, thanks to its special versatility, a wide variety of events and experiences can be held, from fashion photo shoots and advertising spots, to product presentations, an anniversary cocktail, or a gala dinner. Any of the scheduled events is guaranteed to be successful as they are seamlessly integrated with the exceptional environment.

With a capacity of 70 people for a cocktail party, it is the ideal space for intimate and special events.
