SLC

Cámara
Sevilla

This palace house is located in the historic heart of Seville. It offers event spaces where modern, well-equipped facilities blend with the artistic beauty and original architecture of this superb building.

The venue is structured on three floors, the ground and main floor being the noble area. This is where the fully equipped auditorium, central reception courtyard, and multipurpose rooms are located. On the first floor, there are various rooms with more sumptuous decoration for meetings, board meetings, and corporate lunches. On the top floor, there is a VIP rooftop for coffee breaks and cocktails.

The origin of the house dates back to the late 18th century, a French-style family mansion whose typology has been preserved. It is perfectly located for corporate meetings, product presentations, seminars, conferences, workshops, exhibitions, etc.
