

L'Orangerie de Seville

SAC

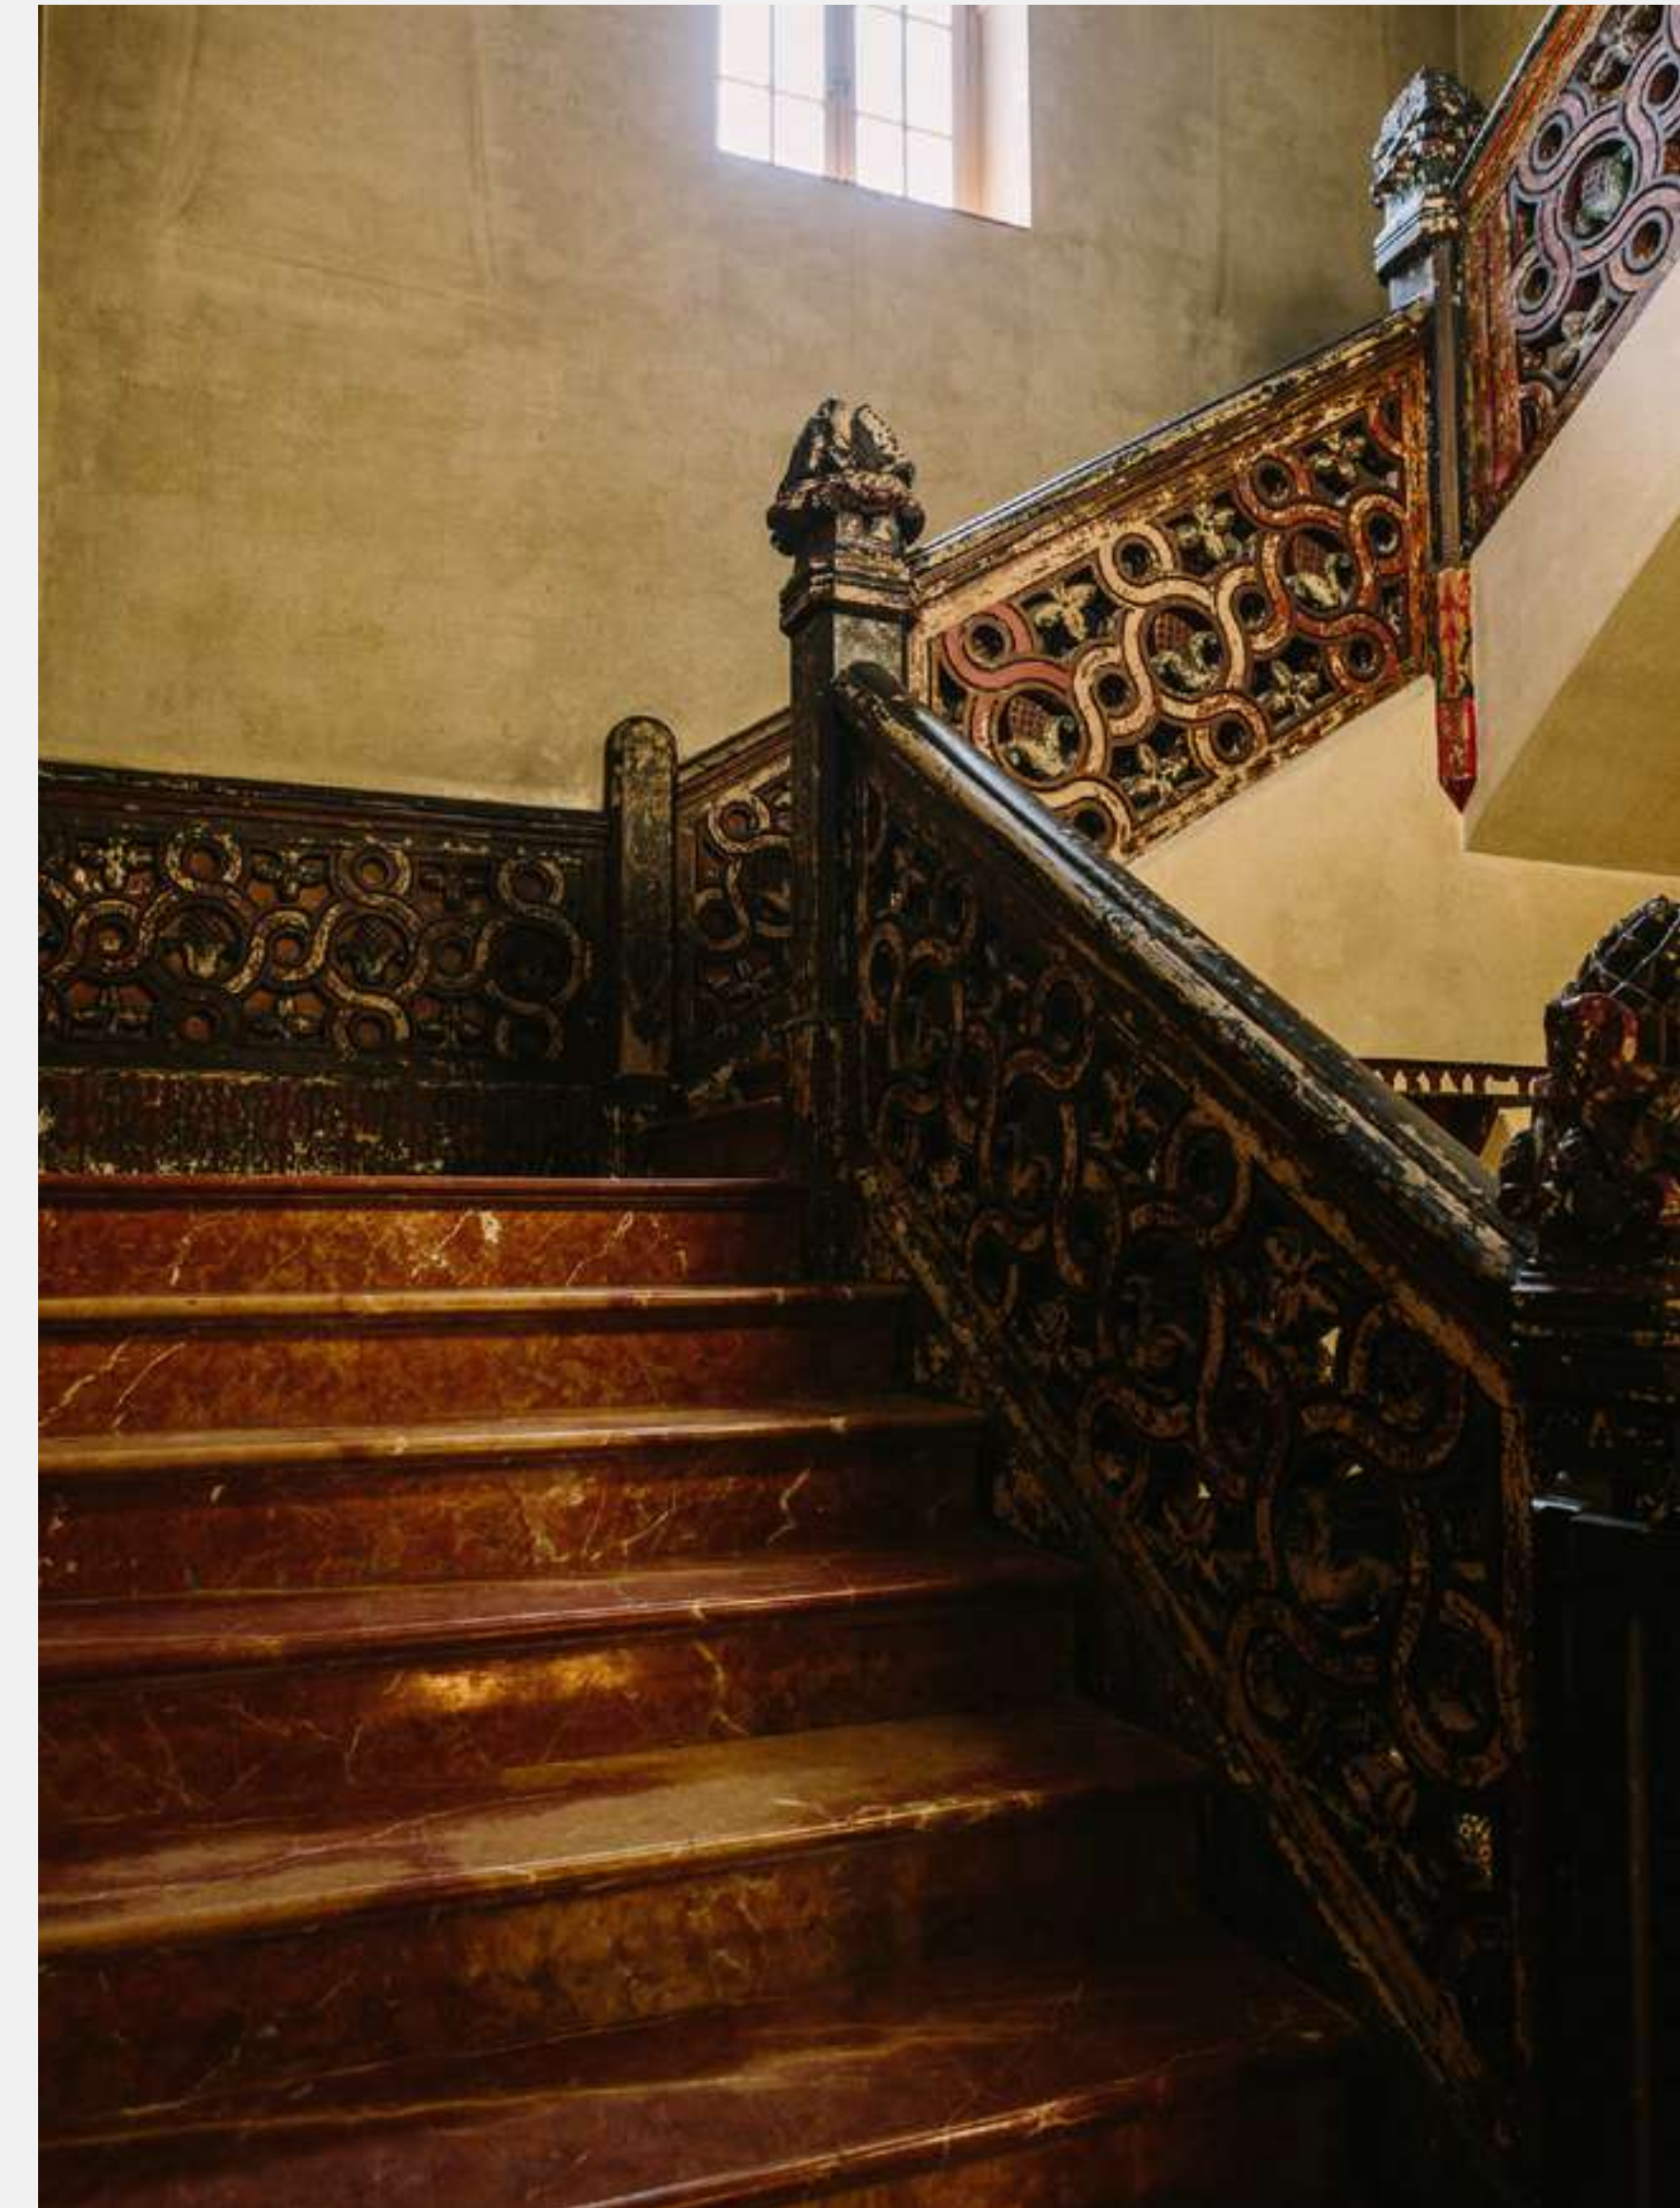

The great attraction of this Casa Palacio is that it is the only one with capacity for 360 people in a banquet arrangement (inside the Crystal Hall), it also has 5,000 square meters of gardens (orange trees, lemon trees and more than 75 palm trees), and small rooms for meetings of 20 people. In addition to all this, the great added value is that it is located near the center of Seville.

In 1928 its construction was completed and it automatically became the architectural whim of one of the most distinguished areas of Seville.

This house offers us the possibility of holding events for groups of 20-360 people, as it has rooms of different sizes that can be arranged independently.
