Espacio Metropol Parasol

An emblematic place in Seville is the Metropol Parasol Space by J.Mayer, an architecture made of laminated wood that enhances the Plaza de la Encarnación, in the heart of the city. It is a complex with four levels that hosts commercial activities and also serves as an urban viewpoint.

Underground, you'll find the Antiquarium, an archaeological museum with a multipurpose room. On the surface, it is Plaza Mayor and a viewpoint with space for meetings, presentations, and dining 30 meters high with panoramic walkways offering one of the best 360-degree views of the city of Seville.

Espacio Metropol Parasol is located at the top of the architectural project, a modern and highly distinctive building that has helped the city position's as a new cultural urban icon. It responds to the great need for spacious and unique venues in a central location. With its 260 seated places and over 400 cocktail-style with various possible layouts and a variety of distribution proposals, it is suitable for a large number of events.

Its great versatility and size, combined with its location and the whimsical nature of its forms, inspire all kinds of activities: product launches, fashion shows, cocktails, award ceremonies, conventions, gala dinners, specialized cooking seminars, press or marketing presentations, fairs, and culinary competitions.
