

Nave Industrial

SAC

“Nave Industrial” is located in the port area of Seville, near the city center.

It is an open space that allows for a multitude of interventions on its floor.

It is an ideal location for television, film, and advertising shoots.

It has 4,000 square meters in surface area with eight entrances to two streets.

In the photographs, we show a series of events held in the warehouse, where showrooms, exhibitions and fashion shows combine with specific seminars for designers and creatives from the industry.
