

Sala San Andrés

SAC

The “Sala San Andrés” began as one of the city’s first cinemas, inaugurated in 1925, and has since been refurbished into a space to perform arts, equipped with modern technical facilities.

The spacious theater hall, reception areas, and catering zones, make this space an ideal venue to organize original and distinguished events.

Located in the heart of Seville, with access to the city's most emblematic monuments just minutes away.

The "Sala San Andrés" offers a spacious, dynamic, and perfectly adapted space to organize all kinds of events: meetings, informative breakfasts, product presentations, concerts, conventions, etc.

## The Theater Hall

The retractable seating system allows to vary the audience size from 20 to 322, or to even remove all seats, leaving a completely open space with a maximum capacity of 375 people.
